The Clothes Party

Afternoon parties start at 2pm (weekends only); evening parties at 8pm. We are fairly flexible so may be able to arrange different times to suit. We arrive one hour before your guests and will require adequate time to pack our merchandise away after the event. The party will last up to 3 hours.

The minimum number of guests per party is 8 up to a maximum of around 25. You will need to provide adequate space in order to display our merchandise effectively. We will bring along a 6ft clothes rail which will carry approximately 70 pieces of vintage clothing. In addition, there will be smaller items such as jewellery, linens, sewing patterns and home ware. Please note that we may require the use of a dining or kitchen table in order to display the smaller items. We will do our best to cater to your specific requirements but this will depend on stock availability at the time of your booking.

Please note: Your booking is based on the understanding that you are inviting a set number of guests. If you require additional guests to those noted on your application, please contact us immediately in order that we can issue further tickets. Each ticket notes a unique reference number which your guest must produce at the event. The £10 ticket can be redeemed at the clothes party/event confirmed on the ticket. It is not refundable and cannot be exchanged for cash.

If your guest cannot make it to the event you are free to utilise their ticket, providing:

- a) you can produce the ticket (or provide the unique reference number) **and**
- b) the owner of the ticket has agreed to forfeit their ticket to you.

Cancellation

If you decide you must cancel the event in full, we require as much advance notice as possible (preferably 7 days). We will be happy to re-schedule the party to a more convenient date. However, if you cannot (or do not) wish to re-schedule, we will process a refund to the value of the tickets less a £50 administration fee. Please understand that Vintage Bizarre is in high demand. Cancelling a pre-booked event means that we have missed out on other events and selling venues.

In the unlikely event Vintage Bizarre has to cancel the party, you will be given the option to re-schedule or we will agree to refund you in full.
